Your Family Disaster Supplies Calendar – Week 24

The Family Disaster Supplies Calendar is intended to help you prepare for man-made or natural disasters before they happen. Using the calendar, your family can assemble an emergency kit in the small steps over a six-month period.

Check off each week as you gather the contents. Supplies may be stored all together in a large plastic garbage can or plastic bins with wheels. Remember to rotate your perishable supplies and change water every six months.

The shopping list for Week 24:

- Stock raincoats and ponchos
- Stock emergency blankets

Emergency Preparedness Actions:

- Replace drinking water every six months
- Refrigerated food will stay cold if you don't open the refrigerator door
- Food in the freezer will be safe for one to two days
